

Have you thought about a tree today?

Is the soil along your local stream banks staying in place because of the roots of trees?

Forestry

Did the pine windbreak protect your home from the winds?

# Trees provide many benefits. RECREATION

# Trees provide many benefits. CLEAN AIR

# Trees provide many benefits. HEALTHY PEOPLE

Trees provide many benefits.

**PRODUCTS** 

# Trees provide many benefits. HEALTHY COMMUNITIES

Trees provide many benefits.

**HEALTHY SOIL** 

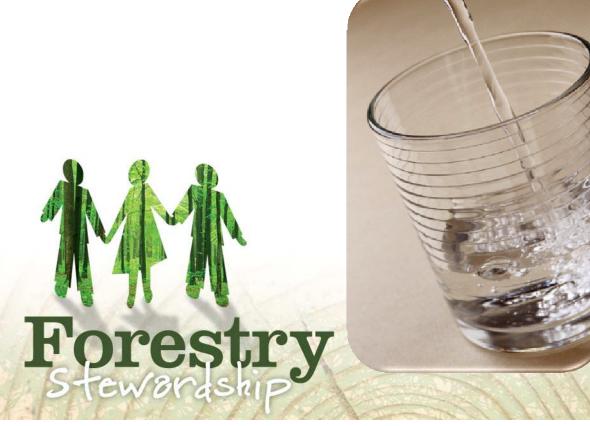

# Trees provide many benefits. CLEAN WATER

Please support forestry projects and landowners in your community.

Volunteer to plant trees in your community or help remove invasive species from forested areas.

Forestry

It is not so much for its beauty that the forest makes a claim upon men's hearts, as for that subtle something, that quality of air that emanates from old trees, that so wonderfully changes and renews a weary spirit.

Robert Louis Stevenson

# Stewardship Week is a program of the National Association of Conservation Districts (NACD) www.nacdnet.org

#### Stewardship Week has been celebrated since 1955.

 Find your local conservation district and see if you can volunteer to help them in their outreach programs. Or to see if they have information or workshops on forestry, tree planting, Tree Farm program and more!

#### **Grundy County Soil & Water Conservation District**

Questions about soil & water conservation (being a good steward of the land) please call district staff at 660-359-2006 x3

Kevin Stover, District Technician II x117
Heather Keith, District Program Specialist II/Web Maintainer/Info Ed Specialist x101
Bob Chenoweth, Part-time Technician I/Customer Service x3

NRCS Staff: Scott McClure, Corey Walker & Greg Snyder

**MDC Staff: Scott Roy**
